## But I'm excited... what can I do to start NOW?

Read the book, From Cubicle Slave to the Next Internet Millionaire.

This webinar program is really Step 3 of a 1-2-3 series. Don't worry – you don't have to have done steps one and two – but you'll find this a way more thorough experience if you have.

Step 1 – The Book – is Theoretical  
Step 2 – The Workbook – is practical  
Step 3 – The Program – is hands-on

The Internet Millionaire Workbook is a FREE DOWNLOAD with the purchase of the book.

If you don't have the book, [GET IT NOW](#). In addition to the workbook, you get a ton of other really exceptional bonuses.

I'm really looking forward to starting this program.  
Talk to you soon
